

## **The Role of Qatari Women: Road to 2022 .**

### **1- How would you describe the role of women in Qatari society?**

Women have a prominent role in the State of Qatar. They compete with men in the highest administrative and scientific positions and have made a significant effort through their contribution in various fields inside and outside the Qatari society. This comes under the generous directives of H.H the Emir of the country.

### **2- In your opinion, which are the most important contributions made by Qatari women to the FIFA 2022 Qatar World Cup?**

Qatari women occupy leadership positions in the Supreme Committee for Delivery and Legacy and have an effective role making decisions regarding the Qatar 2022 World Cup. Women also contribute significantly to the promotional aspects of the World Cup. For example Fatima Al Nuaimi (executive director of the communications department of the supreme committee for delivery and legacy, was the only Arab woman who was chosen

in the list of the Sports Leaders Awards for 2021. The World Sports Leaders Awards annually honor exceptional individuals who help push the sports industry forward and work to bring the change in all aspects of life through sport. Fatima Al Nuaimi was chosen to be the only Arab woman on the list.

### **3- How important is the gender equality goal to you?**

The state of Qatar has confirmed that it has achieved remarkable progress in achieving the goals related to implementing gender equality and empowering all women, and that it is working on fulfilling gender equality and the realization of women's human rights and empowerment through all elements of the sustainable development plan. One of the indications of gender equality is that the leadership positions in the most recent leadership positions were taken by women, and it could have been men, but they chose the most qualified. For example Lolwa Al Khater is the Deputy Minister of Foreign Affairs and the official spokesperson for the country

#### **4- Who are your female role models?**

Certainly H.H Sheikha Moza Bint Nasser whom believes that the nature and capabilities of the Qatari citizen are the most valuable wealth in the country. Her vision is directed towards ensuring a better future for Qataris while adhering to their authentic cultural and religious heritage.

#### **5- What would you say to a woman, living in any part of the world, who is suffering or has suffered domestic or any kind of violence?**

Violence against women is one of the most wide spreading human rights violations in the world, and I hope this ends soon, I also demand the amendment of legislation and procedures in line with the international human rights standards, and setting a law to reduce the phenomenon of violence against women.
